Dear Sir/Madam

As you are aware Induction meetings at most of the study centres are organized and counselling sessions are about to start. I request you to send the counselling schedules immediately to this office for necessary approval. Also we need to uploa the same in the University website . In this context, I request you to send the same immediately. You are also requested not to conduct counselling without any prior approval from the RC. You can utilize the services of email for getting quick approvals. Bills for counselling sessions without proper approval from RC will not be entertained for release of payments. Hence, you are requested to send atleast the scanned copy of the counselling schedules to this office for further action.

Regards
Dharmarao Gonipati
ARD (Sr. Scale)
