NOTICE

This is to inform you that IGNOU REGIONAL CENTRE KORAPUT has received 162 project reports from 162 learners of MAEDU for TEE June 2026. After scrutiny of the project reports, it has been observed that only 82 out of 162 learners have paid the examination fees and the rest 80 learners have not paid the examination fees. However, as per the guideline received from SED, the learners from January 2023 require to submit the examination fees for project also. Hence, the project reports of those learners who have not paid the examination fees during the submission of examination form, need to submit Rs. 1600/- (Rs. 500 towards examination fees and Rs. 1100 for late fees) in the form of a Demand Draft drawn in favour of IGNOU, payable at Koraput, on the day of the examination. Otherwise, the project reports cannot be processed for evaluation. The date of the examination will be communicated to you through email, SMS and telephone call.
